Distance from O-Ringen City to the arena is approximately 4 km.</p> <p>Route guidance from the crossing between road 61 and road 175 (Roundabout Gaterondellen, WGS84 (lat, long) 59.661834, 12.614665) Distance from Gaterondellen to Parking is approximately 2 km.</p> <p>There is no transportation arranged by O-ringen to the TrailO arenas, The competitors are expected to arrange their own transportation.</p>
Parking	<p>Distance parking-arena approximately 200m.</p> <p>Please follow directions of parking officials.</p>
Competition rules	Swedish orienteering federations rules and guidelines for TrailO
Classes	<p>Pre-Elit, Pre-A, Pre-B.</p> <p>Pre-C has been withdrawn due to lack of entries.</p>
Course data	<p>Pre-Elit: 940 m, maximum time 85 min. Zero answer controls may be used.</p> <p>Pre-A: 935 m, maximum time 87 min. Zero answer controls may be used.</p> <p>Pre-B: 935 m, maximum time 93 min. No zero answer controls in Pre-B.</p> <p>Forbidden trails are marked with solid purple lines on the map and/or yellow-blue ribbons on the ground.</p>
Penalties	Exceeding the maximum time of the course results in a penalty of one point per started 5 minute period.
Punching	<p>The competitors should bring their own punches.</p> <p>SportIdent is used as timing system.</p>
Start	<p>Start in accordance with the startlist with first start 13:00.</p> <p>All competition courses have interval start. Maximum time is counted from given start time for each competitor.</p> <p>Start in direct connection to the Arena.</p>
Time control	<p>All courses have their time control after the finish.</p> <p>The TempO method is used. The competitor get the maps collected with a cover sheet on top. The time starts when the official hands over the maps and says "Time starts now". The competitor shifts to the next map by him/herself when the first task is completed. The clock is stopped exactly when the competitor gives his/her answer of the last task.</p> <p>The answer is given by pointing at the correct plate or orally using the international lettering system (Alfa, Bravo, Charlie, Delta, Echo, Foxtrot)</p> <p>The maps shall be handed back to the official after completing the tasks. It is not allowed to throw the maps on the ground.</p> <p>Number of tasks and number of flags:</p> <p>Pre-Elit: 2 tasks, 6 double flags Maximum time is 60 seconds. A warning is given when 10 seconds remain. Incorrect, blank or multiple answers result in an additional time of 60 seconds.</p> <p>Pre-A: 2 tasks, 6 double flags Maximum time is 90 seconds. A warning is given when 10 seconds remain. Incorrect, blank or multiple answers result in an additional time of 90 seconds.</p>

	<p>Pre-B: 1 task, 6 double flags Maximum time is 60 seconds. A warning is given when 10 seconds remain. Incorrect, blank or multiple answers result in an additional time of 120 seconds. Map scale: 1:5000</p>
